On December 21, 2015, the Company entered into the Renewed India Framework Agreement and the Renewed Middle East Framework Agreement for a period of three years with effect from January 1, 2016. The Renewed India Framework Agreement covers all transactions between Samsonite India and the other members of the Group. The Renewed Middle East Framework Agreement covers all transactions between Samsonite Middle East and the other members of the Group. The transactions under the Renewed India Framework Agreement and the Renewed Middle East Framework Agreement are in the ordinary and usual course of the Company's business.

Samsonite India and Samsonite Middle East are each non-wholly owned subsidiaries of the Company and are each held as to 40% by Mr. Ramesh Tainwala and members of the Tainwala Group. Because Mr. Ramesh Tainwala: (i) as a director of the Company, is a connected person of the Company; and (ii) is entitled to control the exercise of 10% or more of the voting power in each of Samsonite India and Samsonite Middle East, Samsonite India and Samsonite Middle East are both connected persons of the Company under Rule 14A.07(5) of the Listing Rules. Accordingly, the Renewed India Framework Agreement and the Renewed Middle East Framework Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

The Company has set annual caps on the maximum aggregate amount payable by and to the Group in respect of each of the Renewed India Framework Agreement and the Renewed Middle East Framework Agreement for the three years ending December 31, 2016, 2017 and 2018.

As the highest of the applicable percentage ratios (other than the profits ratio) under the Listing Rules in respect of the annual caps for the transactions contemplated under each of the Renewed India Framework Agreement and the Renewed Middle East Framework Agreement will, on an annual basis, be more than 0.1% but less than 5%, these transactions will constitute continuing connected transactions that are exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 14A.76(2) of the Listing Rules.

Samsonite India has entered into certain agreements with the Tainwala Group which relate to the Group's operations in India and the Company has also entered into the Abhishri Framework Agreement with Abhishri, a company which is controlled by certain members of the Tainwala Group. Accordingly, transactions between the Group and members of the Tainwala Group constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. Furthermore, as transactions between the Group and the Tainwala Group are related to the same connected persons of the Company, pursuant to Rule 14A.83 of the Listing Rules, these transactions are aggregated to determine into which category the aggregated transaction falls.

The Company has also set annual caps on the maximum aggregate amount payable by and to the Group in respect of the transactions with the Tainwala Group for the three years ending December 31, 2016, 2017 and 2018.

### **Subject Matter**

The Renewed India Framework Agreement was entered into for a period of three years with effect from January 1, 2016 and will expire on December 31, 2018. Save for the duration and renewal provisions of the Renewed India Framework Agreement, all other terms are the same as those in the India Framework Agreement.

Under the Renewed India Framework Agreement, the parties agree to continue transactions between Samsonite India and other members of the Group including:

- the purchase by Samsonite India of raw materials, components, spare parts, finished products and capital assets from other members of the Group;

All transactions are in the ordinary and usual course of the Company's business and are on normal commercial terms.

The Renewed India Framework Agreement stipulates that all transactions between Samsonite India and the rest of the Group must be on normal commercial terms consistent with those in intra-company transactions between other subsidiaries of the Company, in compliance with the Group's policies for intra-company transactions and in compliance with all relevant provisions of the Listing Rules. The Company has followed at all times its policies for intra-company transactions in relation to all transactions under the India Framework Agreement and will continue to follow these policies in relation to all transactions under the Renewed India Framework Agreement. Purchases

by Samsonite India of raw materials, components, spare parts, finished products and capital assets from other members of the Group, and purchases of finished products from Samsonite India by other members of the Group, are made at prices and on terms that are consistent with the prices and terms applicable to intra-Group purchases made between non-connected members of the Group. The royalties paid by Samsonite India are consistent with the royalty rate and terms paid by the Company's other non-wholly owned subsidiaries.

The Renewed India Framework Agreement may be renewed for successive three year periods. The Renewed India Framework Agreement will be terminated with immediate effect if Samsonite India ceases to be a connected person of the Company, or the transactions contemplated under the Renewed India Framework Agreement cease to be subject to the Listing Rules in relation to connected transactions. ### **Listing Rules Implications**

Samsonite India is a non-wholly owned subsidiary of the Company and is held as to 40% by Mr. Ramesh Tainwala and members of the Tainwala Group. Because Mr. Ramesh Tainwala: (i) as a director of the Company, is a connected person of the Company; and (ii) is entitled to control the exercise of 10% or more of the voting power in Samsonite India, Samsonite India is a connected person of the Company under Rule 14A.07(5) of the Listing Rules. Accordingly, the Renewed India Framework Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the highest of the applicable percentage ratios (other than the profits ratio) under the Listing Rules in respect of the annual caps for the transactions contemplated under the Renewed India Framework Agreement will, on an annual basis, be more than 0.1% but less than 5%, such transactions will constitute continuing connected transactions that are exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 14A.76(2) of the Listing Rules.

Save for the duration and renewal provisions of the Renewed Middle East Framework Agreement, all other terms are the same as those in the Middle East Framework Agreement.

Under the Renewed Middle East Framework Agreement, the parties agree to continue transactions between Samsonite Middle East and other members of the Group including:

All transactions are in the ordinary and usual course of the Company's business and are on normal commercial terms.

The Renewed Middle East Framework Agreement stipulates that all transactions between Samsonite Middle East and the rest of the Group must be on normal commercial terms consistent with those in intra-company transactions between other subsidiaries of the Company, in compliance with the Group's policies for intra-company transactions and in compliance with all applicable provisions of the Listing Rules. The Company has followed at all times its policies for intra-company transactions in relation to all transactions under the Middle East Framework Agreement and will continue to follow these policies in relation to all transactions under the Renewed Middle East Framework Agreement. Purchases by Samsonite Middle East of finished products from other members of the Group are made at prices and on terms that are consistent with the prices and terms applicable to intra-Group purchases made by non-connected members of the Group. The royalties paid by Samsonite Middle East are consistent with the royalty rate and terms paid by the Company's other non-wholly owned subsidiaries.

The Renewed Middle East Framework Agreement may be renewed for successive three year periods. The Renewed Middle East Framework Agreement will be terminated with immediate effect if Samsonite Middle East ceases to be a connected person of the Company, or the transactions contemplated under the Renewed Middle East Framework Agreement cease to be subject to the Listing Rules in relation to connected transactions. The parties may also terminate the Renewed Middle East Framework Agreement with immediate effect at any time by mutual agreement. Any renewal of the Renewed Middle East Framework Agreement is subject to the parties complying with the relevant requirements of the Listing Rules.

### **Reasons for, and benefits of, the Renewed Middle East Framework Agreement**

The entry into the Renewed Middle East Framework Agreement for a period of three years from January 1, 2016 will ensure that Samsonite Middle East can continue to enter into transactions with other members of the Group in the ordinary and usual course of the Company's business as an essential part of the Group's global operations.

### **Listing Rules Implications**

Samsonite Middle East is a non-wholly owned subsidiary of the Company and is held as to 40% by Mr. Ramesh Tainwala and members of the Tainwala Group. Because Mr. Ramesh Tainwala: (i) as a director of the Company, is a connected person of the Company; and (ii) is entitled to control the exercise of 10% or more of the voting power in Samsonite Middle East, Samsonite Middle East is a connected person of the Company under Rule 14A.07(5) of the Listing Rules. Accordingly, the Renewed Middle East Framework Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the highest of the applicable percentage ratios (other than the profits ratio) under the Listing Rules in respect of the annual caps for the transactions contemplated under the Renewed Middle East Framework Agreement will, on an annual basis, be more than 0.1% but less than 5%, such transactions will constitute continuing connected transactions that are exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 14A.76(2) of the Listing Rules.

## **4. TRANSACTIONS WITH THE TAINWALA GROUP**

### **Background**

From time to time, members of the Group have entered into transactions with the Tainwala Group. These transactions are entered into in the ordinary and usual course of the Company's business. Mr. Ramesh Tainwala and the Tainwala Group are substantial shareholders in Samsonite India.

Samsonite India has entered into the following agreements with the Tainwala Group which relate to the Group's operations in India in the ordinary and usual course of its business:

- the Abhishri Manufacturing Agreement;
- the Bagzone Dealership Agreement; and
- the Tainwala Leases.

The Company has also entered into the Abhishri Framework Agreement.

All transactions between the Group and the Tainwala Group are on normal commercial terms for the following reasons:

- under the Abhishri Manufacturing Agreement, the price paid by Abhishri to Samsonite India for raw materials and components is based on the current market price paid by Samsonite India, and under the Abhishri Manufacturing Agreement and the Abhishri Framework Agreement, the prices paid by the Group for products manufactured and manufacturing services provided by Abhishri are determined based on the Group's current procurement policies, and are monitored against relevant factors including the cost of raw materials, the range of commercially appropriate margins that members of the Group are able to make on comparable products and, where available, quotations and market prices for comparable third party products and services. The Group has followed at all times, and will continue to follow, its procurement policies when determining the pricing and terms of all transactions with Abhishri under the Abhishri Manufacturing Agreement and the Abhishri Framework Agreement. The pricing under the Abhishri Manufacturing Agreement and the Abhishri Framework Agreement is on normal commercial terms as the margins available to the Group and the prices charged by Abhishri are comparable to (or better to the Group than) the margins available from prices charged by certain other third party manufacturers who are not connected persons under agreements with members of the Group;

- under the Bagzone Dealership Agreement, the margin available to Bagzone will be reviewed and amended as necessary from time to time to ensure that the maximum profit margin with respect to products purchased from Samsonite India does not exceed 3% of its net sales of such products. Samsonite India has followed at all times, and will continue to follow, the pricing terms in the Bagzone Dealership Agreement for all transactions with Bagzone. These transactions are on normal commercial terms as the profit margin available to Bagzone is within a range that is reasonably consistent with that made by other third party dealers in India to whom Samsonite India sells products; and
- the rent, license fees and administrative charges payable under the Tainwala Leases are within the reasonable range of the then prevailing market rates at their respective dates of execution. Samsonite India has at all times followed, and will continue to follow, its procurement policies in relation to each of the Tainwala Leases.

### **Listing Rules Implications**

Mr. Ramesh Tainwala is a director of the Company and Samsonite India is a non-wholly owned subsidiary of the Company and is held as to 40% by Mr. Ramesh Tainwala and members of the Tainwala Group. Accordingly, transactions between the Group and members of the Tainwala Group constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. Furthermore, as transactions between the Group and the Tainwala Group are related to the same connected persons of the Company, pursuant to Rule 14A.83 of the Listing Rules, these transactions are aggregated to determine into which category the aggregated transaction falls.

Accordingly, based on the aggregate value of payments made by the Group to the Tainwala Group and payments made to the Group by the Tainwala Group, the highest of the applicable percentage ratios (other than the profits ratio) under the Listing Rules will, on an annual basis, be more than 0.1% but less than 5%. The transactions between the Group and the Tainwala Group will therefore constitute continuing connected transactions that are exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 14A.76(2) of the Listing Rules.
